

JAZZ BAND CONTRACT WINTER 2010

I want to audition for the RHS JAZZ Band. If selected, I promise to learn and practice my music outside of class and show up to rehearsals fully prepared to play the prescribed music. Additionally, I pledge that I will attend (from beginning to end) all the events listed below. I realize I am not required to be a member of the JAZZ Band, it is my choice and desire to be selected. If selected, I understand a significant portion of my grade for band is dependent upon my full preparation and participation in JAZZ Band activities.
